

THE TREE AID LEGACY CHARTER

Leaving a gift in your Will is a very special way to support TREE AID.

You do not have to be wealthy to leave a legacy and you will probably want to provide for your loved ones first. But rest assured a gift of any size will make a difference. A legacy ensures that the work you supported so passionately during your lifetime continues helping us to keep on transforming lives in Africa for generations to come.

1. We will always respect your privacy.
2. We realise that your family and friends will come first. We don't ask you for a specific sum of money but for a small percentage of whatever is left after those close to you have been taken care of.
3. We always love to hear that you've left a gift but there's no pressure to say so. If you'd prefer us to leave you alone, just let us know and you will be under no obligation whatsoever.
4. We will use your gift carefully and cost effectively so that it has the greatest impact.
5. We will handle whatever gift you leave efficiently and also with care, sensitivity and respect.
